WHAT THOSE NUMBERS LOOKED LIKE ON THE GROUND

HELENE RAPID RESPONSE

In response to Hurricane Helene, we distributed supplies through immigrant-community channels:

100 CAN OPENERS | 11 BACKPACKS

ONGOING SUPPORT

Weekly check-ins with an Afghan refugee in Islamabad, plus monthly material support, while working toward safer shelter in another country.

NEW WEEKLY GROUP SUPPORT

Weekly support group for Afghan women (Strengthening Families curriculum).

We create practical pathways toward **stability** for people who've been displaced and in danger of displacement, and we invest in long-term **opportunity** through **dignified work**.
